

Call for Participation

We invite you to join us in **7th International Conference on Big Data, Machine Learning and IoT (BMLI 2026)** serves as a premier global forum for presenting innovative ideas, cutting edge research, advanced methodologies and real world applications across the rapidly evolving domains of Big Data, Machine Learning and the Internet of Things. As data driven intelligence continues to transform industries, scientific discovery and society at large, BMLI 2026 brings together researchers, practitioners and thought leaders to exchange insights, foster collaboration and shape the next generation of intelligent systems.

The conference welcomes high quality contributions that demonstrate significant advances, including theoretical developments, experimental results, system designs, industrial case studies and comprehensive survey works.

Highlights of BMLI 2026 includes:

- 17th International Conference on Internet Engineering & Web Services (InWES 2026)
- 10th International Conference on Networks and Security (NSEC 2026)
- 13th International Conference on Signal Processing (CSIP 2026)
- 3rd International Conference on NLP, Artificial Intelligence, Machine Learning and Applications (NLAIM 2026)
- 6th International Conference on Advances in Computing & Information Technologies (CACIT 2026)
- 4th International Conference on Education, AI & Information Technology (EDUAIT 2026)
- 15th International Conference on VLSI and Applications (VLSIA 2026)
